Fig. 80

The figure shows a graphical user interface for editing entities. At the top, there are three tabs: "Edit Entity", "Edit Children", and "Edit Selected Entity". Below these is a table with two main columns: "child_handle" and "Name".

	child_handle	Name	Value
0	usernameInputBox	name	
1	passwordInputBox	security	
2	login	row	
3	title	column	
4	description	rowspan	
5	anus	columnspan	
6	speed	fill	BOTH
7		anchor	CENTER
8		width	
9		height	
10		vars	displayValue=main login us
11		row	1
12		rowspan	
13		columnspan	1
14		anchor	CENTER
15		fill	BOTH
16		height	
17		width	
18		pane	
19		elementType	

Below the table, there is a section labeled "Edit Relation Param" with four buttons: "OK", "Cancel", "Apply", and "Refresh".

Handwritten annotations:

- "80" points to the top bar area.
- "82" points to the "Edit Selected Entity" tab.
- "78" points to the "Edit Relation Param" label.
- "86" points to the "OK" button.
- "88" points to the "Cancel" button.
- "90" points to the "Apply" button.
